The Genuine. The Original.

WARRANTY

Sectional Door
Models: 416, 418, 420, 422, 424, 426, 430, 432

Overhead Door Corporation ("Seller") warrants to the original purchaser of Models of Sectional Door **Models: 416,418, 420, 422, 424, 426, 430, 432** Commercial/Industrial Doors ("Door"), subject to all of the terms and conditions hereof, that the Door and all components thereof will be free from defects in materials and workmanship under normal use for the following period(s), measured from the date of installation, but in no event shall any warranty period start more than six (6) months after the date the Seller ships the Product.

- **Seller warrants the factory applied paint on standard colors against peeling, flaking, and loss of adhesion visible under normal outdoor conditions for a period of ten (10) years from the date of installation**
- **Seller warrants all other components of the door to be free from defects in material and workmanship for a period of one (1) year from the date of installation**

Seller's sole obligation under this warranty is limited to repairing or replacing any part, which shall be determined by Seller to be defective, and is conditioned upon buyer giving written notice of any such defect to Seller within the warranty period. If Seller concludes that repair or replacement is necessary, Seller will commence work within a reasonable time after the decision to repair or replace is made.

This warranty does not apply to any product which has been altered, modified, damaged or deteriorated due to abuse, neglect, misuse or by accident. Warranty will be **VOID** if any repairs are made or attempted to be made by any person not authorized by the Seller, or if proper maintenance and painting practices are not followed.

THERE IS NO WARRANTY OF MERCHANTABILITY, WARRANTY OF FITNESS FOR ANY PARTICULAR PURPOSE OR ANY OTHER IMPLIED WARRANTY BEYOND THE ONE-YEAR PERIOD DESCRIBED ABOVE. SELLER WILL NOT BE LIABLE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES OR FOR ANY FURTHER LOSS WHICH MAY ARISE IN CONNECTION WITH ANY CLAIM.

This warranty gives you specific legal rights, and you may also have other rights which vary from state to state. Some states do not allow limitations on how long an implied warranty lasts and some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you.

Seller has not established any informal dispute settlement procedure of the type described in the Magnuson-Moss Warranty Act.

Claims under this warranty must be made in writing to the Selling Distributor whose name and address appears below within the applicable warranty period. (Proof of purchase and identification as the original purchaser may be required).

Exclusions To Coverage
This Warranty shall not extend to damages or defects caused by any of the following: Failure to Follow All Installation Instructions, Failure to Follow Maintenance Instructions, Faulty or Defective Installation(s), Fire, Radiation (UV or Other), Foreign Substances, Accident or Casualty, Harmful Fumes, Vandalism, Act(s) of God, Physical Damage, Installation of insulated glass in high-humidity environments Salt Spray or Exposure, Normal Wear and Tear, Chemical Action, Abrasive Materials, Operation Beyond Rated Capacity, Improper Use or Abuse, Improper Installation or Handling, Exposure to Coastal Weather Conditions, Alteration, Modification or Use of Non-OEM or Approved Parts or Products, Paint that is not the factory original finish, Other Painted Parts Not Part of a Door Section (such as stop mold), Normal Fading or Discoloration from Usage Age or UV Exposure, Products with Black or Dark Brown finishes are susceptible to thermal bowing as described in DASMA (Door & Access Systems Manufacturers Association) Technical Data Sheet 185; Except as expressly provided in this warranty, Seller does not warrant products with these finishes against warping, rubbing or other issues associated with thermal bowing and strongly recommends against selecting such finishes for products which are to be installed in areas that experience high heat and/or high UV conditions, such as the Southwest United States, Central America, and the Middle East.
