FLAT CROWN

REGULAR CROWN

MID CROWN

HIGH CROWN

Pallet Jack

#1 Forklift Light Capacity

#2 Forklift Heavy Capacity

End Rider

Assumptions:

The chart assumes vehicle speeds do not exceed 4 mph, trailer drop during loading or unloading is no more than 1 inch, and pallet dimensions do not exceed 4 ft x 4 ft without cargo overhang.

Comments:

This chart applies only to the 20,000 lb and 30,000 lb Edge of Dock models. The ranges shown are for reference only and may vary based on environmental factors. A site survey is required at time of order to confirm suitability for the intended application.
