The Genuine. The Original.

Battery Backup OPTIONS

Special update for Overhead Door® residential openers regarding California Senate Bill 969.

As of July 1, 2019, all newly installed garage door openers in the state of California must have battery backup.

We offer multiple battery backup options throughout our residential opener line-up to meet California's new BBU law for openers.

Ask your Overhead Door™ Distributor for details!

Integrated units

Each can be ordered with Battery Backup integrated into the opener.
