Built Better from the Inside Out

Door construction

Carriage House Collection garage doors are available in a wide array of stained and painted finishes. An embossed wood-grain texture captures the look of a classic carriage house door. Customize the appearance of these garage doors with windows and decorative hardware for even greater curb appeal.

Polyurethane insulation

Provides thermal efficiency with a U-factor¹ of 0.16 and an R-value² of 10.

Bulb-type bottom weatherseal

Guards against wind and rain while providing a cushion when closing.

Durable finish

Hot-dipped galvanized steel with two coats of baked-on polyester paint.

Embossed wood grain texture

Adds beauty, sophistication and durability.

WindStorm™ wind load-rated system

Available on select products to meet regulations for a variety of wind speeds, including hurricane-force winds, and meet the most stringent local building codes.

Limited Lifetime warranty that protects against section rust-through for as long as you own your home. Also included is a one-year non-transferable, Limited warranty ensuring high standards for materials and workmanship.

1 - U-factor is independently tested and verified per ANSI/DASMA 105 using solid doors and specific product sizes.

2 - Overhead Door Corporation uses a calculated door section R-value for our insulated doors.

Overhead Door™ Brand participates in the DASMA Thermal Performance Verification Program. The program verifies the thermal performance of sectional garage doors. The lower the U-factor rating, the better the thermal performance.

 Symbol indicates verified U-factor rating in accordance with the DASMA Thermal Performance Verification Program.
